

# Victoria Nazari

99 Belbrook Way, Atherton, CA 94027  
650-388-6810 | vrn2@rice.edu

## Education

2014 –

**Rice University**, Houston, TX  
Computer Science  
GPA 3.56/4.0  
Graduating May 2018

Introduction to Algorithmic Thinking  
Introduction to Computer Engineering  
Introduction to Computational Thinking  
Introduction to Program Design  
Ordinary Differential Equations and Linear Algebra  
Introduction to Computer Systems  
Principles of Parallel Programming  
Matrix Analysis

## Experiences

Summer 2015

**Vital Connect Inc**, Campbell, CA  
Software Engineering Intern – App development team

Helped design and implement an event based library in Java for future Android apps. Created a Bluetooth library in java and integrated it into the existing company app.

Summer 2013

**Vital Connect Inc**, Campbell, CA  
Biomedical Intern

Designed experiments to test health monitoring devices. These tests included blood pressure measurements with impedance devices and step length with a pedometer.

Winter & Spring  
2013

**Global Hearing Inc**, E. Palo Alto, CA  
Assistant to Audiologist

Responsible for sending and receiving hearing aids, scheduling appointments, and organizing patient files.

## Skills

Java, Python, C, HTML, CSS, Javascript  
Github, IntelliJ, Microsoft Office

## Honors

2014 Trustee Distinguished Scholarship  
2014 National Hispanic Scholar  
2014 National Commended Scholar  
2016 President's Honor Roll
